

HAPPY NEW YEAR!

**Grape Class
Newsletter**

January 2021

Dear Parents,

A Happy New Year to everyone! I hope everyone had a great time and enjoyed your winter break. Welcome back to school

This month we will have an exciting activity. The children are going to learn the cultures of many countries such as foods, sports, languages and famous places. They will also learn how to locate the different countries on the map and recognize each national flag. We will also go on an imaginary travel to different countries using passport made by the children. I'm sure this will be a unique and exciting activity for the children.

The children will continue to write short stories, learn more vocabulary, spell words, and learn how to arrange and write unscramble sentences. In science, the children will learn about Solid, Liquid and Gas.

Again I would like to thank all of you in advance for the support you will extend to us for this whole term.

**Thank you
Ms. Melanie**

Songs and Poem

It's a Small World

It's a small world after all

It's a small world after all

It's a small world after all

It's a small, small world

It's a world of laughter and a world of tears

It's a world of hopes and a world of fears

There's so much that we share

That is time we're aware

It's a small world after all

repeat chorus

There is just one moon and one golden sun

And a smile means friendship to everyone

Though the mountains divide and the oceans are wide

It's a small world after all

(repeat chorus)
