

The background of the page is a vibrant, cartoon-style illustration of a rainy day. It features a bright blue sky with white raindrops falling, a colorful rainbow arching across the top, and a large, fluffy white cloud in the center. The cloud has a blue outline and contains the text 'RAINY DAY' in a white, bubbly font. To the left of the cloud is a pink and yellow striped umbrella, and to the right is a colorful triangular bunting flag. At the bottom, there are green trees and a grassy field with a pink flower. The overall theme is cheerful and festive.

RAINY DAY

Dear Parents,

Thank you very much for the support and cooperation, our Sports Day has been successfully done. I hope everyone enjoyed and had fun. I would also like to congratulate the children for trying their best.

Rainy season is here! Our theme for this month is related to this season, it's about "Rainbow". The children will learn about "Rainbow" why and how the rainbow appear. Our little scientist will create and discover new colors by mixing different colors. They will learn about the Primary and Secondary colors. We will make craft related to this theme. We will also have a mini Talent Show. Please have your child wear appropriate clothes or costumes. The Talent Show will be on June 25th Friday at 2:00 pm. Please come and watch them.

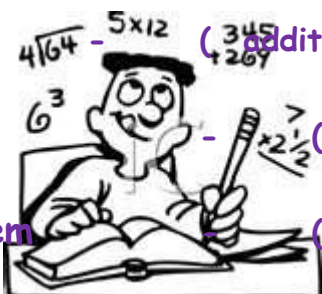

There will be Parents/Teachers Meeting, sign-up paper will be posted at the entrance of the school.

To all the fathers, Happy Father's Day!

**Thank you

Singing In The Rain

I'm singin' in the rain
Just singin' in the rain
the stormy clouds chase
Everyone from the place
What a glorious feelin'
I'm happy again.
I'm laughing at clouds
So dark up above
The sun's in my heart
And I'm ready for love.
I'm happy again...
I'm singin' and dancin' in the rain...

Come on with the rain
I've a smile on my face
I walk down the lane,
With a happy refrain
Just singin', singin in the rain.
Dancin' in the rain

Poem

Rain
When the rain comes down
Drip drop, drip, drop
Boots in puddle,
Plip, plap, plip, plap
I wish the rain would never
stop, flip, flap, flip, flap
Drip, drop dir Flip, flap, flip, flap
Plip, plap, plip, plap
