# February

Dear Parents and Children,

It's February, and with the cold breeze of winter, kids are more prone to catching a cold, so please ensure they stay warm at all times.

We were supposed to have the Mame Maki on the 3rd day, but due to the upcoming snow, we celebrated it on January 31st instead. I hope you understand. The kids enjoyed it very much, and they were so happy to chase the devil away! Additionally, our theme for this month is centered around Valentine's Day, where kids will celebrate by wearing red on the 14th, singing songs, reciting a short poem, and creating their own Valentine's cards.

We will continue our lesson on beginning sounds and introduce blending two letters to help kids understand the sounds and blending of letters. Furthermore, we'll conduct a drill on reading the vowel-consonant sound to reinforce their learning.

As we enjoy the winter season, let's stay safe and make the most of this time. It's crucial for kids to stay warm and take necessary precautions to avoid catching a cold. By working together, we can ensure a fun and safe winter experience for all.

Thank you very much for the support and cooperation! :)

Ms. Ange

# Songs and poem for February

## **I'm A Little Valentine Song (The Kiboomers)**

I'm a little valentine  
Shape like a heart  
With ribbons and lace  
I'm a beautiful sight  
I can say, "I Love You"  
On Valentine's Day  
Just put me in an envelope  
And give me away  
\*Square, triangle, circle,

## **I love you**

I love you, you love me  
We're a happy family  
With a great big hug  
And a kiss from me to you  
Won't you say you love, me  
too?

I love you, you love me  
We're best friends like friends  
should be  
With a great big hug  
And a kiss from me to you  
Won't you say you love, me  
too?

## **Hearts**

- by Anonymous  
(Poem)

Red hearts, white hearts,  
Pink hearts too.  
I love purple hearts.  
How about you?  
Green hearts, yellow hearts,  
Blue hearts, too.

## **The More we get together song**

The more we get together,  
together, together  
The more we get together, the  
happier we'll be  
cause your friends are my friends  
and my friends are your friends  
The more we get together the  
happier we'll be.
