March

Dear Parents and Children,

This month marks the end of the semester in Apple Class. We will focus on our final lesson, which involves blending sounds and reading three-letter words. Additionally, we will conduct drills to practice reading and spelling these three-letter words.

March will be a busy month as we prepare for our presentations for the Moving Up Ceremony, so please look forward to it!

As we approach the end of the school year, I would like to take a moment to express my gratitude to each and every one of you. To my beloved students in Apple class, I want to thank you for the warmth, memories, and learning we have shared. Teaching you has been a privilege, and I have learned so much from you. I wish you all the best as you move up to the Melon class. Remember to always strive to be the best that you can be!

To the parents, I want to express my sincere thanks for entrusting me with your child's education this past year. It has been a wonderful and rewarding experience, and I will always root for your child's success. Your support and cooperation have been invaluable, and I am grateful for all that you have done.

Thank you for a great school year, and I wish you all a happy and safe summer ahead! I look forward to seeing you all again soon.

Ms. Ange

Songs for March

I'm so Proud

Tune: London bridge is falling down

I'm so proud of all my friends, all my friends, all my friends!
I'm so proud of all my friends, you did so well at school!

Graduation is today, is today, is today!
Graduation is today, let's celebrate today

I will miss my preschool friends, preschool friends, preschool friends!
I will miss my preschool friends, I'll see you all next year!

Popcorn popping in the Apricot Tree

I looked at window and what did I see?
Popcorn popping on the apricot tree
Spring has brought me such a nice surprise
Blossoms popping right before my eyes.
I can take an armful and make a treat
A popcorn ball that would smell so sweet
It wasn't really so, but it seemed to be
Popcorn popping in the apricot tree.

Sing a Song of Flowers

Sing a song of flowers, flowers all
around
Flowers that are growing, growing
in the ground
Flowers of every color, they look so
pretty too!
Red and pink and orange and
yellow
Blue and purple too!
